

DUBLIN 10

Dublin

Friday 10:00 PM

The meeting was motivated by the offer of the pastor of St. Luke's Lutheran Church, Dublin to Philadelphia Intergroup who contacted William Purcel.

Meeting began November 1, 1985 with an open discussion format on Friday nights at 10:00 PM. With a once monthly variation of speaker-discussion, the group has met continuously since then.

Attendance has increase from an initial 5-15 and currently ranges between 30-50 (3/90). Frequently this represents the second or third meeting of the day for many members for whom this had once been "quality drinking time".

The pastor once again offered the facilities of the church for an additional meeting. After consulting with the District and AA member of the area, the Dublin 10 group sponsored a Sunday afternoon (4:30 PM) step meeting which began March 6th 1988.
