

Feel's Like Home Group

The High Noon Sobriety Saturday Night 10 PM meeting at St. Paul's UCC Church had been in existence since May 1998.

Near the end of 2012 the Saturday Night meeting had split from the group. At the time there were only three members of the group and there were three meetings. Bill S. said to the other two members that the Monday and Tuesday meetings should close because of lack of members and help. There was plenty of attendance for both meetings. Bill S. said that the Saturday Night meeting could remain open because there were plenty of attendees that were willing to get involved. Some of the regular attendees for the Monday and Tuesday meetings decided to step up and keep those meetings going. They called the group The Monday and Tuesday Sellersville Group.

Bill S. talked to the AA members that regularly attended the Saturday night meeting and it was decided to make it a new group, using the same format, using the AA book "As Bill Sees' It".

Attending the first business meeting were; Allie H., Debbie H., Kris M., Captain Manhattan, Mechanic Rich, Chaplin Steve, and Bill S. The meeting format stayed mostly the same. The Group name was decided by members' ideas and voting for the one that fit the group conscience. It was decided unanimously to name the group "Feel's Like Home"(a newcomer suggestion). The group became official in April 2013.

The business meetings were being held 9 PM on the last Saturday of each month. It was moved to 11 PM sometime after because most of the group members were having a hard time arriving for 9 PM. Most of the business meetings last for about one hour.

The attendance of the group meetings are from 10 to 35, with the average at about 20. As of April 2017 the Group members are Allie H., Debbie H., Ken K., Dave D., Bill S.

The group meets 10 PM at St. Paul's UCC Church, 104 Green Street, Sellersville, PA. The meeting is open and handicap accessible.
