

## High Noon Sobriety Group

The thought of the High Noon Sobriety Group started out by just discussion between Bob S. and Bill S. back in 1996. At that time nothing really took off. Again discussion about a Monday noontime group within the Sellersville-Quakertown area, was talked about by Bob and Bill in early 1997.

The reason it was talked about was Bob was having a hard time making meetings because of his heavy work schedule and noontime Mondays was one of his only free times. Bill S. thought it was a good idea to have a local Monday noon meeting but was hesitant getting started on it because he wanted to make sure Bob was serious about it.

Finally about May 1997 Bob said he wanted to do this, so Bob & Bill started to look for a facility to have the meeting. In September we finally located a church willing to have AA meetings in it, especially at noon. That church is St. Paul's UCC, 104 Green street, Sellersville, PA.

Bob & Bill then decided to have a Grapevine meeting. We read an article and discuss it. We also had to decide on a group name and the High Noon Sobriety Group came up. We also decided to start our new meeting on October 6, 1997. Time was noon to 1pm, open meeting, no break.

Flyers were made and passed. Books, literature and supplies were purchased. The first meeting started on time, October 6th at 12 noon. We had four people attend Bill S., Ted G., Bill D., and Steve. No Bob S.! Here he had to work a double shift, got home and overslept. He did make it to the second meeting.

\*\*\* Starting May 2, 1998 the High Noon Group added a second meeting on Saturday nights at 10pm, a topic discussion from "As Bill See's It"
