

THE PERKASIE GROUP

From Dec '72 through May '73 an influx of new blood (pigeons) came into the program in the Sellersville & Perkasie area. The early birds (Bill W., Harvey K, Charley G., Sox & Wayne S.) took the new ones in tow. Sellersville (Monday), North Wales (Tuesday), Lamberterville (Wednesday), Quakertown (Thursday), Eumus or Doylestown (Friday), Allentown (Saturday) & Cooperstown (Sunday), with occasional runs to Blue Mountains, New Hope, Phillipsburg, Philly & a variety of detoxes & rehabs. Now, this Wayne S. happened to be one of the slipperiest con men this writer ever met & in May of '73 he said "You new people need a meeting of your own & it starts next Tuesday, in Perkasie, at St Andrew's Church - 8:30 PM". Jim S. became the treasurer, Johnny K. the coffee maker & Wayne was the annual chairman. About a year after this start, the same con man said to the new people are doing a good job & he relinquished all responsibility for the group. This writer knew beyond a doubt why this con man started the meeting - just so everyone would say "Isn't that Wayne S. something! Do you know he started the Coopersburg, Quakertown & Perkasie meetings & later, the Penn Foundation Group?"

The attendance at the Perkasie varied between 3 & 8 that first year or so & has grown to the size it is today. And it is this 30 to 50 in attendance at a regular Tue. night meeting of the Perkasie Group & most definitely this writer, that wish to express a deep debt of gratitude to the late con man (better known as the Golden Slipper) & all those early birds, most of whom still attend & support the Group, for having their hand out back in '73.
