

Step Sisters

Step Sisters was founded September of 2001, two weeks after 9/11. We have our anniversary the last week of September.

The founders were Ann W, Kathy J, Jacky B, and Sally T

We picked St Paul's Lutheran Church, 107 Lincoln Ave + Main (in the Back) Telford Pa 18968.

So we met with Pastor Christenson, and he was happy to help with our Step Study meeting. He gave us a room with a kitchen.

The meeting is Saturday night 8:00 PM. if there is a new comer we always go back to step one.

We also have men show up at the meeting, it is a woman's meeting. But we always ask them to stay if they must do. Because we believe we are there to help all Alcoholics.
