attendance is good 10-15 people on average, and God willing the group will celebrate 50 YRS. OF CONTINUOUS MEETINGS AT THE SAME LOCATION.

The Upper Tunicum AA Group's last meeting was approximately 4/5/2020. Upper Tunicum Lutheran Church decided to close their doors at that time due to Covid-19. Florence C. a long time member suggested the possibility of a virtual meeting but group consensus felt we did not have enough people to commit to that format at that time.

The Upper Tunicum AA group has reopened as of 10/11/2020 for in-person meetings Saturdays at 3pm. We still can not use the kitchen, we are social distancing, we need to sign in and masks are suggested for the unvaccinated.

The groups overall experience has been good through the pandemic. The Church was in constant contact with us giving us updates when we could possibly ~~restart~~ restart the meeting. Since we have not had to pay for supplies the group has been able to share up a little more than usual. Our attendance is good at about 10-15 people on average and God willing the Upper Tunicum AA Group soon will celebrate 50 years of continuous meetings at the same location.

Thank You Upper Tunicum Lutheran Church.
